

INDIVIDUALIZED EDUCATION PROGRAM (IEP)

Roosevelt Elementary School — Chicago Public Schools

Student: Marcus D. Whitfield **DOB:** 03/03/2016

Grade: 3rd (2024-2025 school year) **School:** Roosevelt Elementary

IEP Meeting Date: 08/18/2025 **Annual Review Due:** 08/18/2026

Primary Disability: Autism **Secondary:** Other Health Impairment (ADHD)

PRESENT LEVELS OF ACADEMIC ACHIEVEMENT AND FUNCTIONAL PERFORMANCE

Marcus is performing below grade level in reading (1.5 grade levels below) and mathematics (1 grade level below). Written expression is significantly impaired due to fine motor difficulties and limited verbal output. He requires 1:1 aide support for transitions between activities and during unstructured time. Marcus communicates primarily through short phrases and occasional echolalia. He demonstrates strengths in visual pattern recognition and rote memory tasks. Behavioral concerns include difficulty with transitions, sensory overstimulation leading to meltdowns, and intermittent physical aggression during unstructured peer interactions.

ANNUAL GOALS

- Reading: Marcus will independently decode and comprehend 3rd-grade-level text passages with 70% accuracy by 08/2026.
- Math: Marcus will solve multi-step addition and subtraction problems with regrouping with 75% accuracy by 08/2026.
- Communication: Marcus will use 3-to-4-word phrases to express needs or respond to questions in 4 out of 5 opportunities by 08/2026.
- Behavioral: Marcus will utilize a visual break card to request a sensory break independently (without adult prompting) in 3 out of 5 opportunities by 08/2026.
