### REFERRAL ORDER — POLYSOMNOGRAPHY (PSG)

**Patient:** Marcus D. Whitfield    **MRN:** PED-2025-04471

**DOB:** 03/03/2016    **Age:** 8 years

**Date of Referral:** 01/15/2025

**Referring Provider:** Anita Sharma, MD — Cook County Pediatrics

---

#### CLINICAL INDICATION

Suspected obstructive sleep apnea. Caregiver reports loud nightly snoring and witnessed apneic episodes during sleep. Patient has ASD Level 2, FASD (both associated with increased OSA risk), and tonsils 3+ on examination. Prior O2 saturations have dipped to 89-91% during clinical encounters, attributed to asthma but may have OSA contribution.

#### REFERRAL DETAILS

**Referred To:** Cook County Sleep Medicine Center — Pediatric Sleep Lab

**Study Requested:** In-lab attended polysomnography (PSG)

**Priority:** Routine

**Insurance:** Medicaid — DCFS Foster Care (Illinois)

#### REFERRAL STATUS

**Referral faxed:** 01/15/2025

**Appointment scheduled:** NOT SCHEDULED

**Referral expiration:** 07/15/2025 (6 months from date of referral)

Note: This referral was placed on 01/15/2025. As of the date of chart transfer (03/18/2026), there is no record that this referral was ever scheduled or completed. The referral has expired.
